ABOUT ME

B.Sc. (AI & ML) student at Maharishi Markandeshwar University with strong expertise in AI, Data Science, and Web Development. Skilled in Python, Java, C, C++, SQL, HTML, CSS, and JavaScript, with hands-on experience in NumPy, Pandas, TensorFlow, PyTorch, and Flask. Passionate about Machine Learning, Artificial Intelligence, and building intelligent solutions, including the project "Predictive Supply Chain AI: Anticipating Disruptions Before They Happen." Strong analytical, problem-solving, and communication skills with a focus on innovation and continuous learning.

EDUCATION

2024

AIR FORCE SCOOL
AMBALA

Senior Secondary Education

Completed Senior Secondary Education (CBSE) in Commerce stream with 82% marks, developing a strong foundation in analytical thinking, business concepts, communication, and problem-solving skills.

2024 - 2025

HARTRON SKILL
CENTRE AMBALA

Diploma in Computer Application

Completed a 1-year Diploma from HARTRON in 2025 with an A Grade, gaining skills in Web Development, MS Office, C, C++, and SQL.

2024 - 2027

MAHARISHI
MARKKANDESWAR
University

Bachelor of Science (AI & ML)

Currently pursuing a Bachelor's degree in Artificial Intelligence & Machine Learning from Maharishi Markandeshwar University, with a strong academic record and an SGPA/CGPA of 8.4 in the 3rd semester. Developing expertise in AI, Machine Learning, Data Science, and modern programming technologies.

PROJECTS

Personal Portfolio Web Page:

Developed a responsive Personal Portfolio Web Page using HTML, CSS, and JavaScript to showcase skills, projects, certifications, and contact information with a clean and user-friendly design.

Predictive supply chain AI:

Developed an AI-based Supply Chain Prediction system using Python, Pandas, NumPy, and Machine Learning algorithms to analyze data, predict outcomes, and visualize insights through graphs and reports.

SKILLS

- Leadership
- Digital Marketing
- Communication
- Innovation
- Analytics
- Teamwork
- Problem Solving
- Collaboration

PERSONAL INFO

Hobbies : Web Development , Learning AI & Machine Learning , Portrait sketch

DOB : 18 - 05 -2007

Gender : MALE
